Dear Senator Murray:

On behalf of Commission Co-Chairs Bob Graham and Bill Reilly, I am writing to thank you for your recent letter.

We appreciate having your views on the regulation of health and safety in drilling operations. The Commission will soon begin its deliberations, so we will be sure that all of the Commissioners have an opportunity to review and consider the views expressed in your letter.

Thank you again for taking the time to write to the Commission.

Sincerely,

Claudia A. McMurray
Senior Counsel for Congressional and State
Relations
